DONATION REQUEST

Your donations are greatly appreciated. The Elks Charitable Grant Fund “Gold Key Scholarship” is a 501©(3) nonprofit charitable organization intended to provide scholarships for special needs students who would otherwise have little opportunity to receive such assistance to continue their education beyond high school.

The Grant Fund Board believes that "Great Futures Begin With Gold Key."

“Gold Key” Scholarship Program

The Michigan Elks Association is offering scholarship programs for special-needs students who want to pursue higher education at an accredited educational institution or a licensed vocational school.

This scholarship is intended to aid qualifying seniors in high school, who could not otherwise continue their educational or training past high school, and is available for study at an accredited college, university, licensed trade or vocational school. Our purpose is to help them become self-respecting, self-reliant, self-supporting, contributing members of society.

Known as the “Gold Key”, this scholarship truly represents a golden key of opportunity for special needs students. Special needs are defined as being physically challenged, currently eligible for special education services under the Federal guidelines or may be approved by the Gold Key Commission of the Michigan Elks Association.

Each scholarship award will be in the amount of \$2,000.00 per year. Each may be renewable for up to three additional years, upon re-application by a prior recipient, who must also provide proof of attendance and good academic standing. All scholarships are in the form of certificates of award conditioned upon enrollment.

A member lodge of the Michigan Elks Association must sponsor the applicant.
